

# ZRW MECHANIKA ACORN LED LIGHTS

## LED Corn light & Street light Series

- ✓ The YJ-AC36 Acorn LED light is used to replace conventional HPS or MH based lights ranging from 80W to 250W.
- ✓ The YJ series LED features a MIL15-SPEC high power EDISON/ EPISTAR SMD LED
- ✓ **The Die cast aluminium heat exchangers are arranged in unique 360° to ensure adequate heat loss and optimal performance.**
- ✓ The unit is available in E27 or E40 for applications where high-bay or incandescent lights are utilised and a cost effective alternative to replacing complete luminaire.
- ✓ **The unit is ideal for interior and semi-exterior applications where high quality white light is required including warehousing, showrooms, inspection areas and loading bays.**

### TECHNICAL SPECIFICATION

Power consumption	24W & 36W
Voltage	85-265VAC
Lumens	7000-8000
Connector	E27 & E40
Beam angle	360°
Colour temperature	2700-5000K
Certification	CE, ROHS
Lifespan	up to 50 000 hrs
Product dimension	Ø80x 200 height
Product weight	350g
